

WE BID A LOVING FAREWELL TO
FATHER MICHEL GAGNON,
A DEDICATED FRANCISCAN PRIEST,
AND A FAITHFUL SUPPORTER OF
OLD MISSION MONTESSORI SCHOOL.

It was always evident to anyone who knew Father Michel that he not only touched, but influenced the lives of many people. This knowledge and awareness has now been amplified with his passing on Monday, St. Patrick's Day, with the ripples moving outward to other ministries, professions, cities, and states. Father Michel worked tirelessly serving the community; he did not understand the words "No"; "Impossible"; "I can't" or "I don't have time"! His vision for our parish school always remained focused on providing a faith-based Montessori education to students from preschool through the eighth grade; therefore, we are not only proud, but honored to continue his vision.

*May the Lord, our God in Heaven
embrace you Father Michel,
just as you have embraced the countless people
whose lives you have truly touched.*
