

OLD MISSION MONTESSORI SCHOOL

Family Life Program Permission/Consent Form

Old Mission Montessori School as part of the Catholic Diocese of San Diego recognizes and accepts its right and duty, as part of the universal church, to assist and guide parents by providing comprehensive, age-appropriate values-oriented, Catholic instruction in family life education for both parents and their children.

This education “is an important priority in Christian education met in part through Diocesan approved family life education in Catholic schools.” (Department of Education, USCC, Education in Human Sexuality for Christians, 1981, p.63).

Parents may request that their child be excluded from biologically explicit segments, but may not infringe on the rights of others to receive this information (USCC, 1991).

Note: Family life education is integrated into other appropriate areas of the curriculum, e.g. religion, social studies, science.

PLEASE CHECK ONE:

_____ Because I will be teaching the biologically explicit information to my child personally, I request that he/she not be included in those segments of the program which address the biologically explicit areas of Christian sexuality.
