Old Mission Montessori School
Middle School
Stewardship and Community Service

Students in our Middle School are required to do Community Service hours. The minimum hours requirement for each student is their grade level doubled. Eighth grade students are required to complete 16 hours of community service, seventh grade students are required to complete 14 hours, and sixth grade students are required to complete 12 hours.

Some suggested areas of stewardship to complete community service hours are: Altar serving, ushering or participating in the choir at Mass (School Masses or Sunday Masses), service projects at school, helping Social Concerns, helping with Christmas in July, helping with social functions and/or fundraisers at school i.e. Montessori Mile, Hoe Down, etc., and helping at Senior Centers.

Each Middle School student is required to log their hours and submit this form to their Home Room teacher. **Eighth grade students are required to submit their form to Ms. Susan on or before June 1st.** Sixth and Seventh grade students may complete their hours during their summer break.
